Phonics at St Andrew's School

Phonics scheme: Little Wandle Letters and Sounds

Phonics is the process by which we initially teach children to read. It is very important in the early stages of learning to read and is therefore taught daily in EYFS and KS1. 'Little Wandle Letters and Sounds' has lots of reading and writing practice. The sessions are pacy and will engage the children and help them develop reading skills and love of reading.

Helping your child at home

1. Read with your child. Your child will bring home a decodable book, based on their phonics level, to read to you. Encourage them and talk to them about the book.
2. Help your child to practice their grapheme-phoneme correspondences: recognising and saying sounds (phonemes) by how they are written (graphemes). Your child's teacher may give you an 'information sheet' to support with this. Or/and you can use the Little Wandle website's 'For parents' section to see videos of how sounds are to be pronounced and for further guidance about e.g. how 'blending' and 'tricky words' are taught:
<https://www.littlewandlelettersandsounds.org.uk/resources/for-parents/>
3. Enjoy the shared reading book chosen by your child each week. This book is for you to enjoy together.

Group Reading

The children in KS1 will participate in group reading twice a week. These sessions focus on:

- decoding
- prosody – reading with meaning, stress and intonation
- comprehension – understanding the text

Please ensure books are brought to school every day as these are the books, we will use for group reading.

Books will be changed on a Monday.
